

MARRIAGE

The Legislature has done it's job. Now it's up to us . . .

ONE MAN ONE WOMAN

Vote YES for MARRIAGE

"A marriage between a man and a woman is the only domestic legal union that shall be valid or recognized in this state."

HJR2: Idaho Marriage Amendment

❖ It's Just Common Sense

- ❖ Traditional marriage is the backbone, the cornerstone of civilization
- ❖ If we redefine marriage for this experiment where will we stop
- ❖ Marriage between a man and a woman promotes and protects the well-being of children. It is cruel to subject children to experimental families
- ❖ This is about DEFINITION not discrimination

- Securing the definition of "marriage" in Idaho's *Constitution* will elevate marriage to the highest level of protection...decided on by Idaho citizens, NOT judges and politicians who would radically redefine *marriage* and the *family*
- The time is now
